**RE: Request for Justice Department Representative to Attend Hearing in Greene County Scheduled for July 6, 2011 at 10a.m.**

Dear Congresswoman Sewell:

We, the citizens of the 7<sup>th</sup> Congressional District, request that an attorney from the United States Justice Department attend a hearing in Greene County on July 6, 2011 at 10a.m. The hearing is pertaining to the issue of electronic bingo. It is our determination that once someone from the justice department witness for themselves what has been taking place in Greene County, they will be able to attest to the fact that our votes were taken away and that we have been grossly mistreated.

Thank you for your prompt attention to this matter.

**Note: If you would please meditate on the Book of Esther for such a time as this. We feel that this Book will inspire you.**
